BREADCRUMB

STUFFING CRUMB - Plain

ITEM #2010

DESCRIPTION A very Coarse Stuffing Crumb that is Completely Seed and Grain Free. This product resembles White Sliced Bread that has been allowed to air dry, then crumbled like one might do at home. The Stuffing Crumb contains a range of particle sizes from fines all the way up to pieces as large as your thumb. The Particle Mixture is Uniform and Color is Consistent. This is of course actual Bread and has a traditional white bread flavor.
